

16th Annual Crime Victims' Rights Conference

Hosted by Governor Brownback and Attorney General Schmidt

April 3-4, 2013

Wichita, Kansas

Call for Workshop Presentations!

You're invited to submit an application to present a workshop at the 16th Annual Crime Victims' Rights Conference, April 3-4, 2013, at the Hyatt Regency Hotel and Convention Center in Wichita, Kansas.

The conference provides up-to-date training for criminal justice professionals and victim service providers. All levels of experience will be in attendance, from those who are new-to-the-field to veteran professionals.

Workshops should address any of the following areas and be consistent with current trends and information: domestic violence, sexual assault, law enforcement, prevention, victim services, children/juveniles, and other criminal justice issues.

Interested presenters should complete and return the attached workshop application. Please forward this information to others who may be interested in presenting a workshop.

Applications are due October 19, 2012

Please return completed applications to:
